## MINT YOUR ART OF GENEROSITY NFT: A STEP-BY-STEP GUIDE

Ready to collect your Art of Generosity NFT?

Follow this easy step-by-step guide to get started, whether on Laptop/PC or Mobile/Tablet.

There are Five Basic Steps:

- 1) **Download** the Metamask browser extension: <https://metamask.io/download/>
- 2) **Create** a Metamask wallet
- 3) **Pre-Register or Mint** your Art of Generosity NFT: <https://generositynft.com/>
- 4) **Connect** your wallet to OpenSea to view your NFTs: <https://opensea.io>
- 5) **Set your calendar** for the Art and Golden Ticket Reveal, taking place shortly after the conclusion of the mint at 12:00pm Noon EST on November 29<sup>th</sup>

This document contains a detailed summary of each of the five steps to guide you through the process. From start to finish, it should take about five minutes to complete, and won't cost you a dime, as Art of Generosity is entirely free!

*\*Note: For those who wish to mint an Art of Generosity using a different wallet provider, please visit our FAQ on <https://generositynft.com/>*

## Step 1 – Download the Metamask Chrome Extension

Visit the “Metamask” website (the most popular Crypto/NFT wallet), <https://metamask.io/download/>, and follow the prompts to download the browser extension. Chrome Browser is recommended for this, however, alternatives such as Firefox and Brave can be used.

## Step 2 – Create a Wallet within Metamask

Once added to your browser, open the extension, select “create a new wallet,” and follow the instruction prompts.

If you already have a wallet, whether on a different device or via a different provider (i.e. not via Metamask), there is an option to import your existing wallet to Metamask using your existing 12-word security phrase.

Important: When creating a new wallet, write down your 12-word security phrase on a physical piece of paper and store it securely. This phrase should NEVER be shared and is used whenever you wish to open your wallet on a new device.

## Step 3 – Get your Art of Generosity NFT!

### ***On or before November 22nd at 11:59am EST:***

- Visit <https://generositynft.com/> and find the button labelled “Connect Wallet”. Click “Connect Wallet.”
- A pop up will appear that says “Connect With Metamask”. Click “Next”.
- Another screen will appear prompting you to click “Connect”. Click “Connect.”
- A notification will appear at the top of website saying “wallet connected”. The area that once said “Connect Wallet” will now indicate that your wallet is connected.
- Now Click on the “Pre-Register Your Wallet” button directly below.
- Once clicked a pop-up will appear prompting you to “Sign Message”. This will be followed by a Metamask popup titled “Signature Request”. Click “Sign”.
- A message will then appear saying “Wallet Registered Successfully”. You are now officially on the list to receive two free NFTs, which you will receive (via Airdrop) at the start of the public mint period on November 22 at 12:00pm EST!

### ***On or after November 22nd at 12:00pm EST:***

- Visit <https://generositynft.com/> and find the button labelled “Connect Wallet”. Click “Connect Wallet.”
- A pop up will appear that says “Connect With Metamask.” Click “Next”.
- Another screen will appear prompting you to click “Connect”. Click “Connect.”
- A notification will appear saying “wallet connected.” Click on the “Mint NFTs” button directly below.
- A pop-up will prompt you to “Sign Message,” followed by a Metamask popup titled “Signature Request.” Click “Sign.”
- A message will then appear saying “Mint Successful”. Below the wallet connect section you will see a section that says that your transaction is pending. Please wait for the transaction to be confirmed. Once the transaction is confirmed this section will be updated informing you that you have successfully minted two Art of Generosity NFTs. You can click on the “View on OpenSea” text to view your new Art of Generosity NFTs on OpenSea!

## Step 4 – View your NFT on an OpenSea Account

Once you have an NFT in your Metamask wallet, you now need a way to view the NFT. You may do so via the website OpenSea: <https://opensea.io>

(While there are other ways you can view NFTs, OpenSea is recommended).

- The first time you log in to OpenSea, follow the prompts to connect your wallet. If you wish, you may make an OpenSea profile (optional, but recommended).
- To view the NFTs in your wallet, click the third icon from the right – the icon looks like a person with a circle around it.
- Once clicked, a pop up will appear titled "connect your wallet". At the top of the list will be Metamask. Click on Metamask.
- Once clicked, a Metamask pop up will appear prompting you to connect to OpenSea. Click "Next", and then click "Connect." (If you aren't sure, do NOT connect).
- Once connected, a window will appear on OpenSea asking you to accept and sign their terms and conditions. Once accepted, another Metamask pop up will appear asking you to "Sign." Click "Sign."
- Once signed you will be able to view the NFTs contained in your Metamask wallet via the OpenSea Profile page.
- \*If you are unable to locate your NFTs, they may be in your "Hidden NFTs" folder. Please see the end of this document for instructions on how to "unhide" your Art of Generosity NFTs.

You are now on your journey to owning, collecting, and trading Art of Generosity NFTs!

Important: Up until the "Art Reveal" on November 29<sup>th</sup>, your Art of Generosity NFTs will display a branded cover image (like wrapping paper on a gift). Shortly after the conclusion of the mint at 12:00pm Noon EST on November 29<sup>th</sup>, your NFT artwork will be automatically revealed (i.e. the gift will be unwrapped), and you will be able to view your official NFT artwork. Simultaneously, the Golden Ticket NFTs will be distributed to 50 lucky winners. So, don't forget to set your calendar for the Art Reveal!

## Step 5 – View your Official Artwork and See if you Win a Golden Ticket

Shortly after the conclusion of the mint at 12:00pm Noon EST on November 29<sup>th</sup>, the artwork associated with each NFT will be revealed, enabling holders to view their official NFT. (Before this time, each NFT will display a branded cover image, like wrapping paper on a gift).

At this same time, 50 lucky NFT holders will also receive a bonus Golden Ticket NFT, which will be viewable in their OpenSea Profile.

So don't forget to set your calendar and view your NFTs on the OpenSea Profile page at the start of the Art and Golden Ticket Reveal, taking place shortly after the conclusion of the mint at 12:00pm Noon EST on November 29<sup>th</sup>.

# MINTING FROM A MOBILE DEVICE OR TABLET

## Step 1 – Download the Metamask app

Search for “Metamask” in either Apple’s App Store or Google’s Play Store. Download the app titled “Metamask – Blockchain Wallet”.

## Step 2 – Create a Wallet within Metamask

Open the app and click “Get Started”. Follow the prompts to create a new wallet.

If you already have a wallet, whether on a different device or via a different provider (i.e. not via Metamask), there is an option to import your existing wallet to Metamask using your existing 12-word security phrase.

Important: When creating a new wallet, write down your 12-word security phrase on a physical piece of paper and store it securely. This phrase should NEVER be shared and is used whenever you wish to open your wallet on a new device.
